

# MAKING YOUR GYM. YOURS.

CONCEPT | PLANNING | EXECUTION

## Case Study

### Buzz Gyms

#### Profile

Buzz Gym is a fresh, fully equipped high-end gym with a full studio class timetable for a low, affordable monthly price. Located in Reading, Slough, Swindon, Oxford, Harrow, High Wycombe, and London Cannon Street.

#### The Challenge

To create welcoming and immersive spaces in various training zones and to offer a unique and improved customer experience.

## The Results

---

Encompassed the brand values of the client and created innovative training zones with premium equipment.

## The Review

---

“Our experience working with Dyaco has been incredibly gratifying, and their unwavering commitment to excellence has consistently surpassed our expectations. Right from the start, we encountered a team with a “no challenge is insurmountable” mindset, consistently surpassing the call of duty to ensure our requirements were fulfilled.

Jake and Matt have played an indispensable role in our partnership. Their steadfast support and extraordinary ingenuity have been priceless in crafting floor plans that flawlessly align with our Buzz Gyms. They possess an exceptional talent for comprehending our vision and transforming it into tailor-made equipment that truly sets us apart.

Dyaco’s steadfast dedication to delivering unrivaled quality and their willingness to go above and beyond have established them as an invaluable ally for us. We wholeheartedly endorse Dyaco to anyone seeking a supplier who not only comprehends their needs but also brings unparalleled creativity to the forefront.”
