

CU980 UPRIGHT BIKE

The CU980 Upright Bike offers a smooth and consistent cycling experience, designed for performance and built to last. Featuring an oversized 1" crank axle and heavy-duty roller bearings, this bike delivers reliable operation in high-traffic fitness environments.

Engineered for comfort and functionality, the bike includes commercial-grade pedals and cranks to ensure stability and long-term durability. Its intuitive console layout keeps riders focused and engaged, making it an excellent choice for fitness spaces that prioritize simplicity and dependability.

Built to meet the demands of any workout, the CU980 Upright Bike is the perfect combination of practicality and performance.

FEATURES:

- Engineered for durability with over 10,000 hours of rigorous testing
- Wireless connectivity supports Spirit and 3rd party fitness applications
- Quick-adjust seat and ergonomic pedals with 2-degree inversion ensure user comfort
- Extra-wide poly-v belt with a spring-loaded idler minimizes wear for long-lasting performance
- Intuitive console layout simplifies navigation for a seamless workout experience
