

XT285 TREADMILL

Folded View

Optional Extended Handrails

Elevate your workout with the new XT285. This treadmill is beyond the basics with a spacious 510 x 1525mm deck, a bright blue backlit LCD display with all performance-oriented metrics, and direct speed and incline buttons that are great for interval training. The handlebar-mounted speed and incline controls, bluetooth capabilities, pulse grips, and a variety of pre-programmed courses and customizable training options keep you motivated and working out longer. The numerous safety and convenience features including child lock, safety key, deck lift assist, slow deploy and optional extended handrails go beyond the competition.

FEATURES

- 7.5" bright blue backlit LCD with built-in USB charging port
