

The XT485 includes a large, bright 9" multi-color LCD display to keep track of the metrics you care about most, including a new heart rate graph feature to keep you in the zone. The in-console USB charging port, built-in Bluetooth speakers, adjustable cooling fan, and a removable swivel-tilt tablet holder to keep you engaged and allow for optimal training. Enjoy a variety of preset programs, including a goal-oriented Time, Calories, and Distance Series. The spacious 560 x 1525mm running surface and reliable 4.0 HP PowerMax[™] drive motor give you all the room and power you need for a comfortable workout. A full range of direct access speed and incline keys on the console and our new rocker-style shifters make interval training easy.
