

Created to work out with comfort and ease, the CE900ENT features the Spirit signature entertainment console for media at your fingertips. Users can watch TV, browse the internet or stream audio whilst working on their fitness with this 10.1" touchscreen display. This elliptical features a smooth pedal motion to minimize joint stress.

**FEATURES:**

- Long-lasting design with heavy gauge tubular steel with large polyurethane wheels.
- 21" stride length simulates the natural pedal movement with 2-degree pedal inversion.
- Electromagnetic resistance system provides 40 levels of increasing intensity.
- Industrial-grade, 72mm roller bearings for fluid movement.

Integrated adjustable fan

10.1" touchscreen display

Tablet friendly reading rack holder

Accessory trays
