SPIRIT

**MOVE YOUR
SPIRIT**

Workout comfort and performance were first in mind when the CE900 Elliptical was developed. From stride length and hand grips to pedal placement and flywheel inertia, this elliptical combines fit and function in one robust machine. Owners will feel secure that they've made a solid investment for their users' experience and their bottom line.

FEATURES:

- Long-lasting design with heavy gauge tubular steel with large polyurethane wheels.
- 21" stride length simulates the natural pedal movement with 2-degree pedal inversion.
- Electromagnetic resistance system provides 40 levels of increasing intensity.
- Industrial-grade, 72mm roller bearings for fluid movement.

CE900

Integrated adjustable fan

Premium, ultra-bright blue LED display

LED heart rate graph
Easy to read lap counter
