

MOVE YOUR SPIRIT

The CR900ENT Recumbent Bike features the innovative entertainment console so your users can watch, browse, and listen to any media they choose. Beyond the comfort molded seat and easy access, this bike is built to perform with durable components. Commercial crank assembly and extra-large roller bearings provide smooth pedal motion that can handle even the most rigorous workout.

FEATURES:

- Step-through design allows users to easily enter the molded foam seat.
- Seat adjusts infinitely to accommodate users of varying heights.
- Electromagnetic resistance system provides power and 40 levels of increasing intensity.
- Ratcheting pedals feature 2-degree inversion for comfortable foot placement.
