

**MOVE YOUR  
SPIRIT**

Built to last, the CR900 Recumbent Bike takes workout ease and comfort to a new level. Step-through design makes it easy for all users to enter and exit the bike. Molded foam seat that infinitely adjusts along the seat rail and quick ratcheting pedals make it quick and easy to get on and go. Commercial crank assembly and extra-large roller bearings provide fluid pedal motion.

**FEATURES:**

- Step-through design allows users to easily enter the molded foam seat.
- Seat adjusts infinitely to accommodate users of varying heights.
- Electromagnetic resistance system provides power and 40 levels of increasing intensity.
- Ratcheting pedals feature 2-degree inversion for comfortable foot placement.

Integrated adjustable fan

Premium, ultra-bright blue LED display

LED heart rate graph  
Easy to read lap counter

Large LED matrix window

Tablet friendly reading rack holder
