

Designed to withstand the rigors of a commercial fitness environment, the CT850+ Treadmill combines convenient features with durable construction to provide an exceptional workout experience. The cool running, 4.0 horsepower AC drive motor with a startup speed of only 0.8 kph adds to the reliability while providing the torque and smooth continuous power required for all types of users. The top control panel boasts a simple and intuitive design with direct speed and incline buttons, multiple storage options for water bottles, phones, and other accessories, as well as a built-in fan that helps keep users cool.

FEATURES:

- 4.0 horsepower AC drive motor provides superior torque and reliability.
- Bright white multi-window LED console is easy to read and simple to use.
- Direct speed and incline buttons make workouts more efficient.
- Contact and wireless heart rate options to help keep clients in their safe and effective training zone.
- Spacious 560 x 1525mm workout area to accommodate tall individuals.
